

LEARNING RESOURCES

There is a huge wealth of resources available online to engage your child, please encourage them to use them and get stuck into something that interests them.

Khan Academy

<https://www.khanacademy.org>

Especially good for maths and computing for all ages but other subjects at Secondary level. Note this uses the U.S. grade system but it's mostly common material.

BBC Bitesize

<https://www.bbc.co.uk/bitesize>

There is loads of new material that has been uploaded with daily lessons on a whole host of topics and for different levels.

FutureLearn

<https://www.futurelearn.com>

Free to access 100s of courses, only pay to upgrade if you need a certificate in your name (own account from age 14+ but younger learners can use a parent account).

Seneca

<https://www.senecalearning.com>

For those revising at GCSE or A level. Tons of free revision content. Paid access to higher level material.

OpenLearn

<https://www.open.edu/openlearn/>

Free taster courses aimed at those considering Open University but everyone can access it. Adult level, but some e.g. nature and environment courses could well be of interest to young people.

School of Sign Language

<https://www.schoolofsignlanguage.com/learn-online/learn-online-free-only/>

Free online videos and guides to teach yourself British sign language

Blockly

<https://blockly.games>

Learn computer programming skills - fun and free.

Scratch

<https://scratch.mit.edu/explore/projects/games/>

Creative computer programming

Ted Ed

<https://ed.ted.com>

All sorts of engaging educational videos
