

Your child is about to embark on an exciting time in their school careers as they make choices for their curriculum in Key Stage 4. In the current climate it is absolutely vital that we ensure that students are on the correct courses for their ability and future aspirations, and so we have designed bespoke pathways to cater for their needs. Your child is given a pathway to follow based on analysis of their academic strengths and what we believe to be the best option for them.

Your child has been placed on the **White** pathway which consists of the following:

Core Curriculum

- Mathematics GCSE
- English Language & Literature GCSEs
- Combined Science GCSEs

Prince's Trust Achieve Programme and Core Support

- The Prince's Trust Achieve programme enables students to develop skills in teamwork, characterisation, communication and analysis.
- Your child will also receive an extra lesson of Maths and English each fortnight to support with achieving the Core GCSEs

Three* further subjects from the group below:

- Geography GCSE
- History GCSE
- Spanish GCSE
- French
- GCSE
- Computer Science GCSE
- Religious Studies GCSE
- Music GCSE
- Art GCSE
- Photography GCSE
- Drama GCSE
- Physical Education GCSE with Young Apprentice Leadership course
- Physical Education GCSE
- Dance GCSE
- Resistant Materials or Graphics or Textiles GCSE
- Food & Nutrition GCSE
- Sociology GCSE
- BTEC Enterprise
- BTEC Sport
- Cambridge National ICT
- RSL Music Technology

*We ask students to choose **four** of these subjects when opting, we then endeavour to match students to three of their four options.
